### 7) LOCAL RULES

**The following NYYC Race Week SI rules shall be respected throughout sailing or racing at Newport:**

- **Restricted Channels:** Competitors are reminded that Narragansett Bay and its approaches are considered restricted channels for commercial traffic and other vessels restricted in their ability to maneuver. Competitors must comply with the government right-of-way rules when in proximity to commercial or privileged marine traffic.
- **Newport Security Zone:** In the event there is racing in Narragansett Bay, competitors should be aware of heightened security around the Navy base in Newport just to the north of the Newport Pell Bridge. The area may be defined by a series of white buoys marking the Newport Security Zone along the coast of the Naval Facilities from Coasters Harbor to the breakwater at the north end of Coddington Cove and the line defined by the buoys shall rank as an obstruction. Yachts shall not enter this area. A Navy patrol boat monitors the area and vessels navigating in the Exclusionary Zone may face action by Coast Guard and Naval authorities.
- **Additional Restricted Areas:** There may be additional restricted areas due to Navy activity, shipping or fishing operations may be described in an amendment.
